

# ONE-TO-MANY WORKFLOW

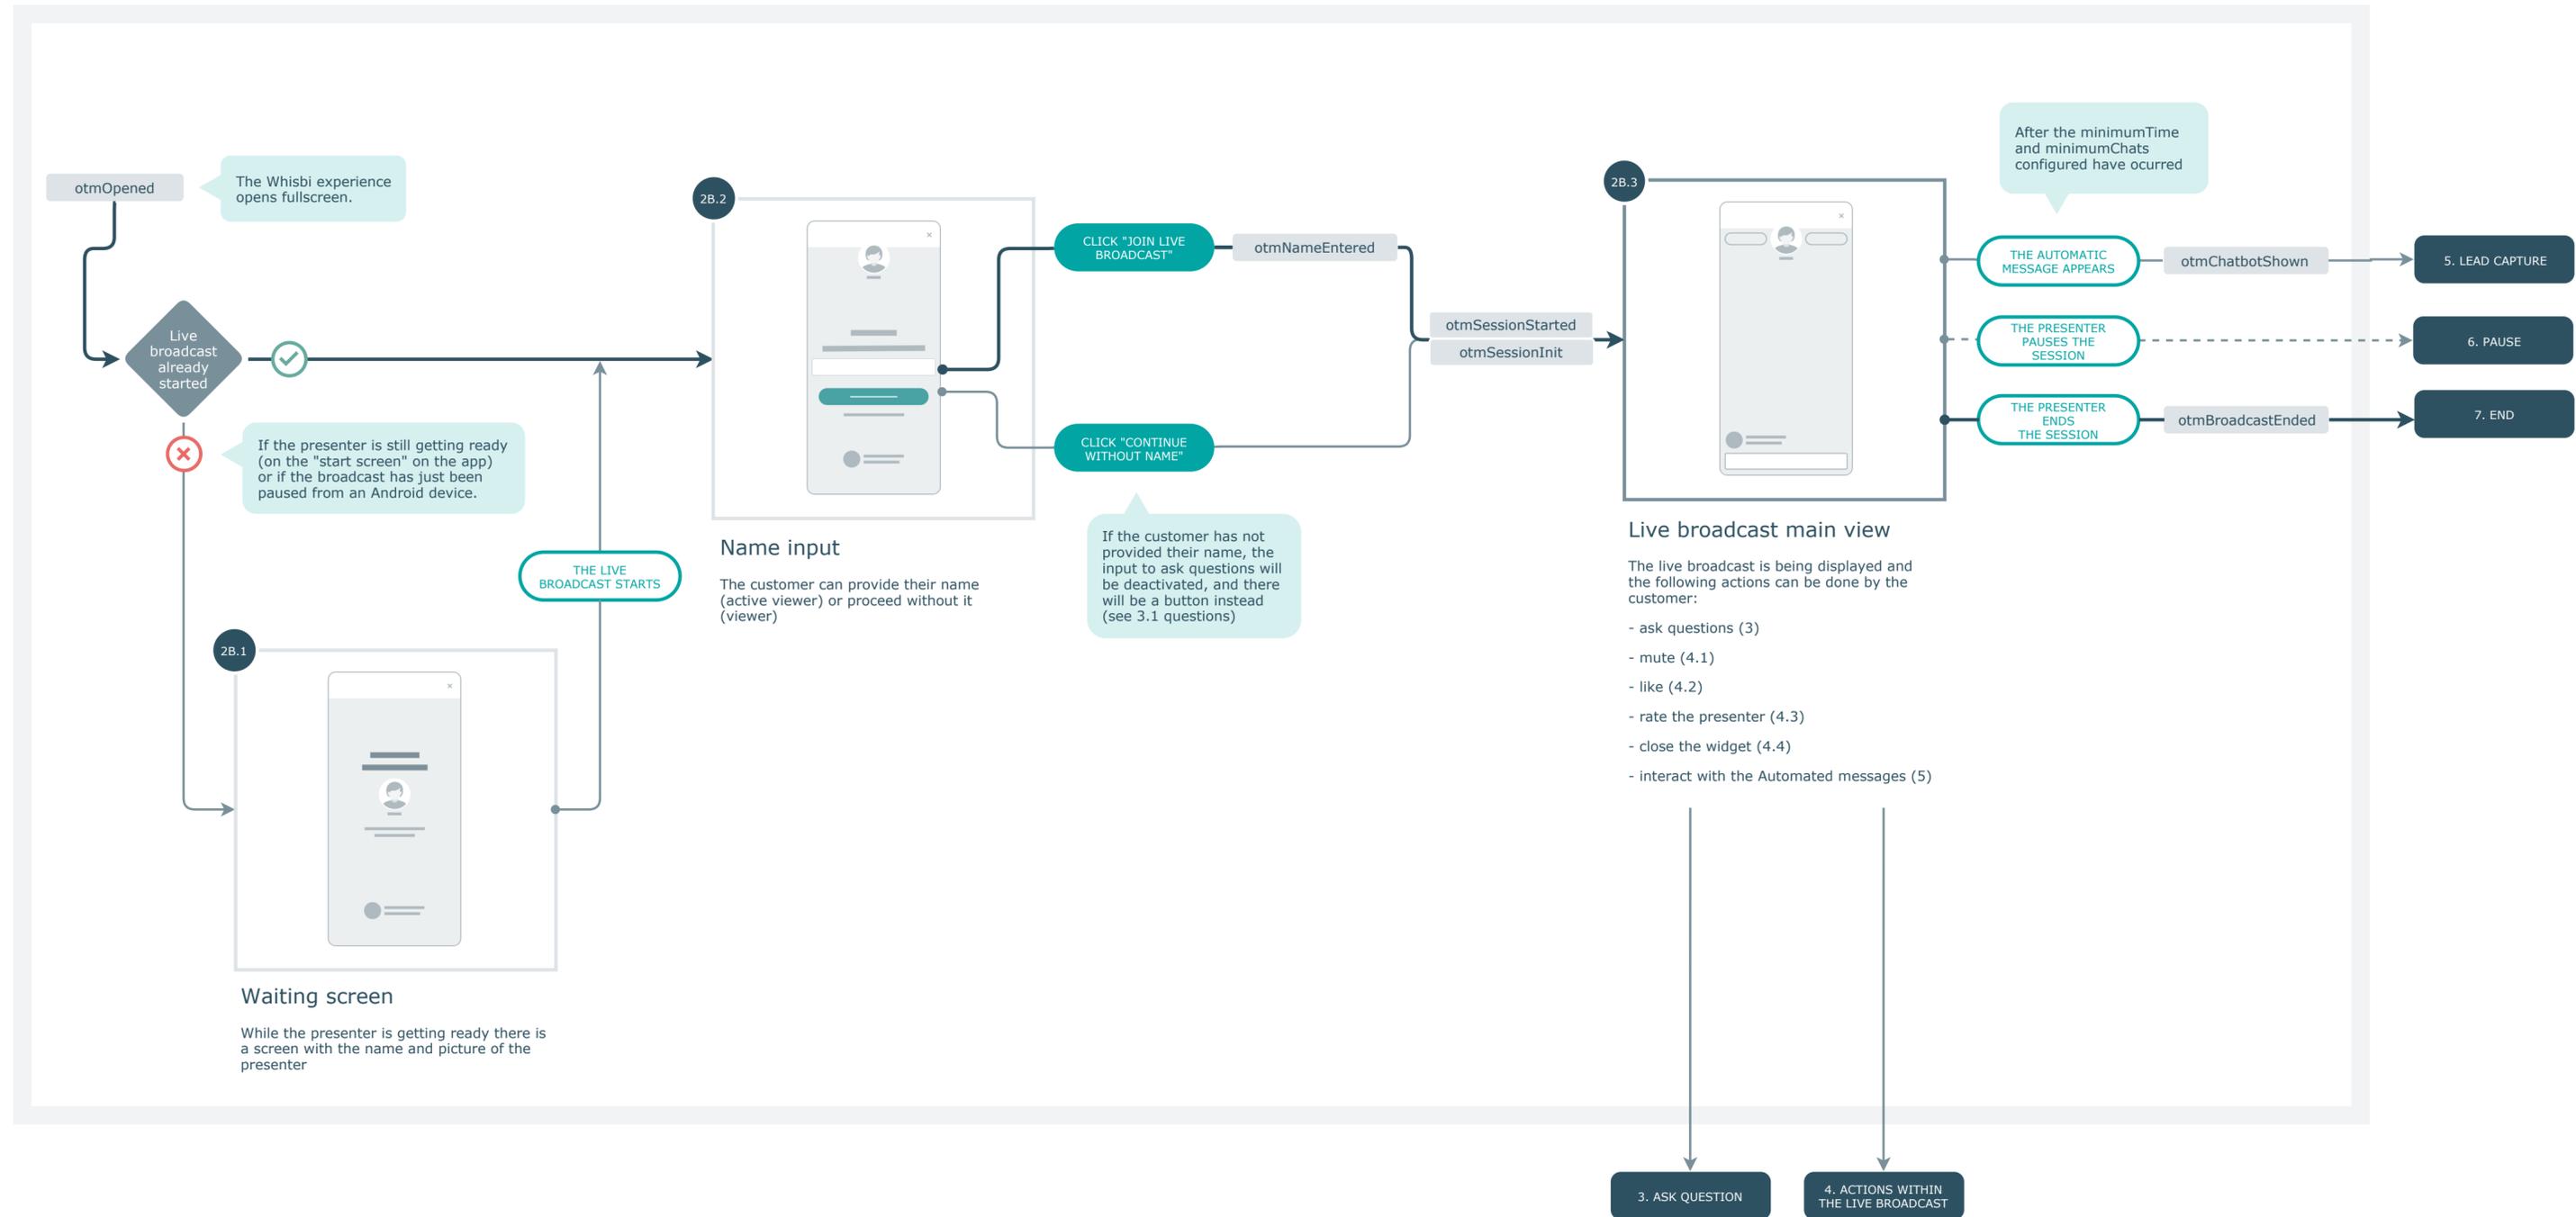

## 1. Engaging call-to-action

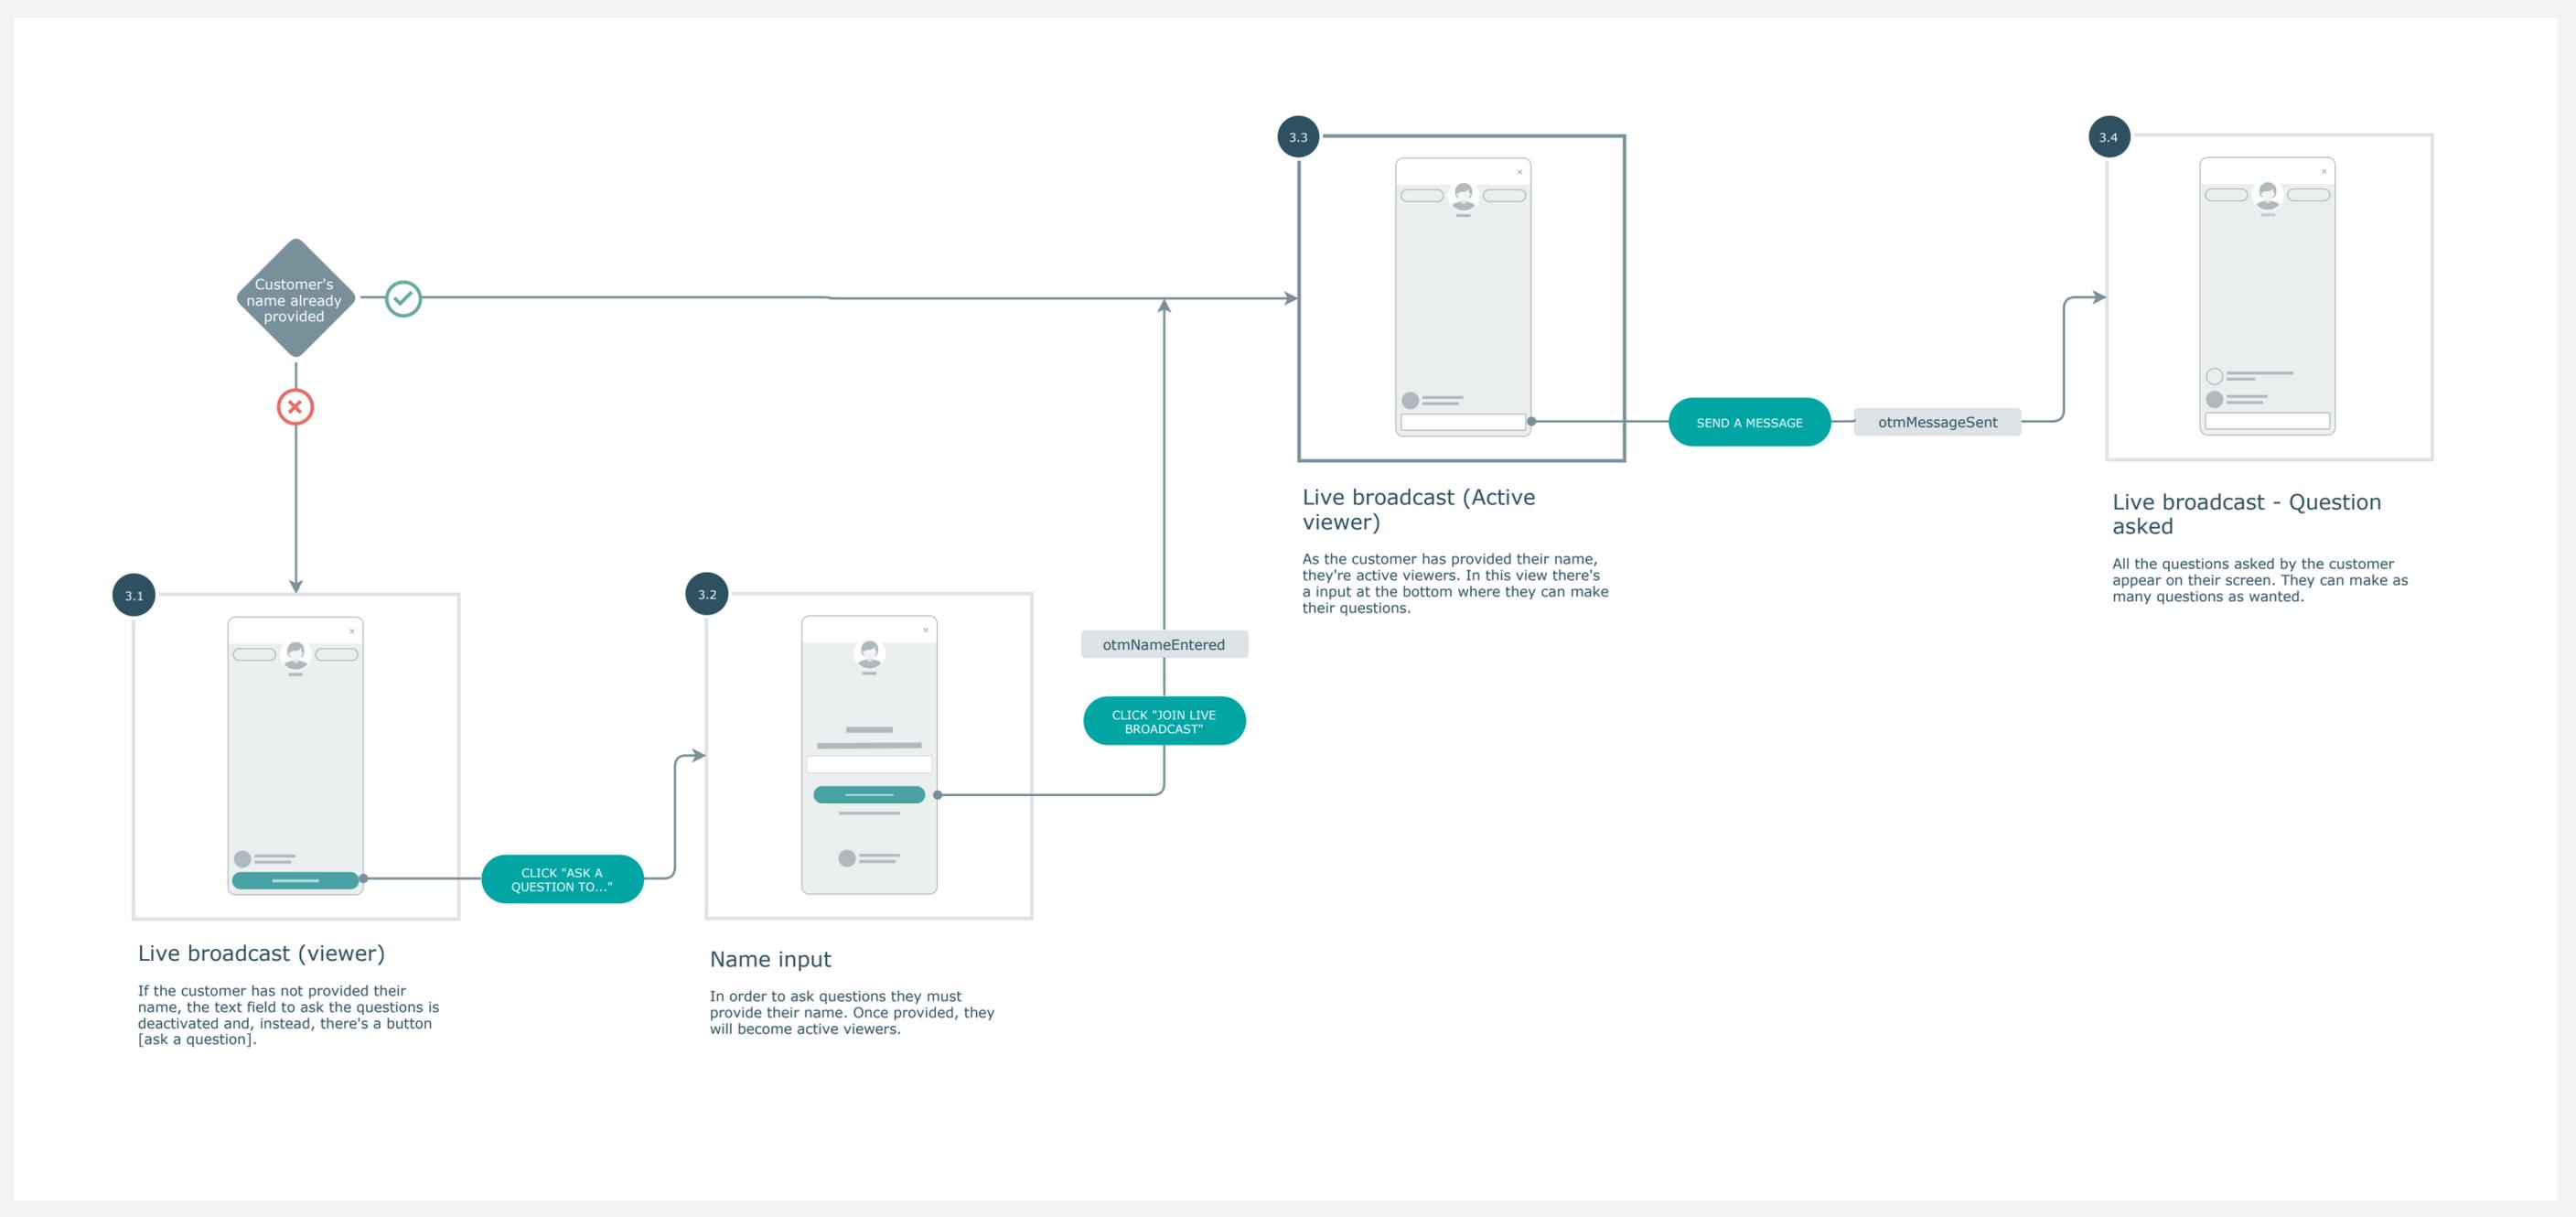

# 2A. Live Broadcast from mobile

## 2B. Live Broadcast from desktop

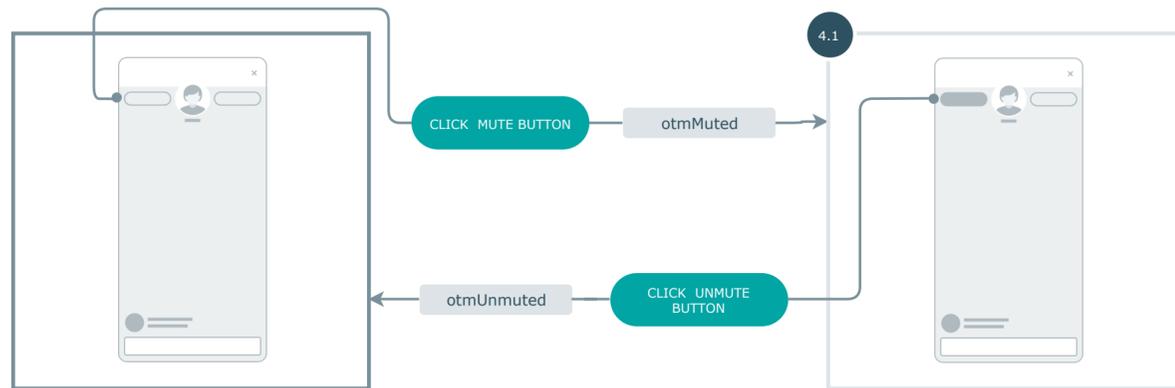

### 3. Ask question

## 4. Actions within the Live broadcast

### 4.1 Mute

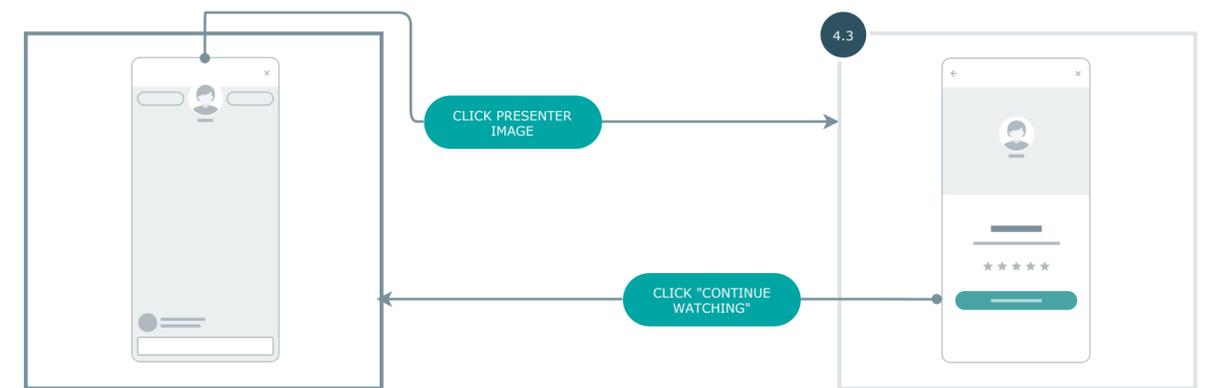

Live broadcast - Main view

Live broadcast - Muted

The live broadcast is muted and can be unmuted again

### 4.3 Rate the presenter

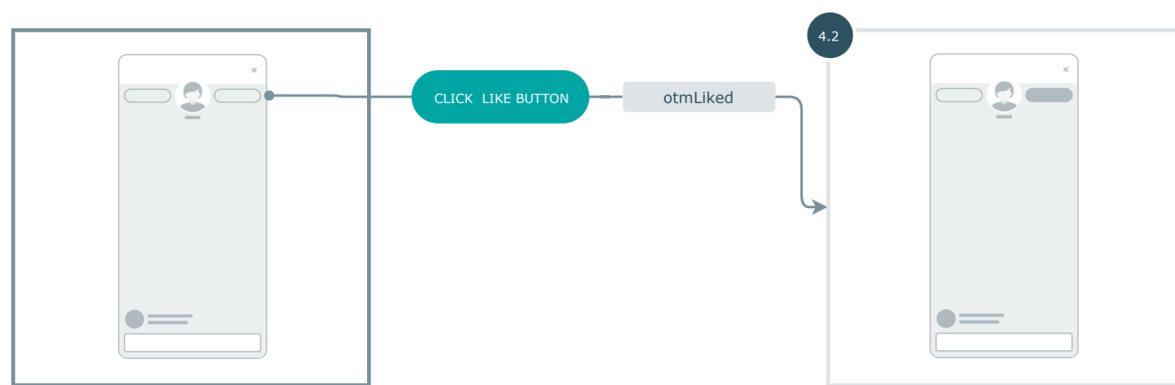

Live broadcast - Main view

Rating

The customer can rate the presenter with stars from 1 to 5

### 4.2 Like

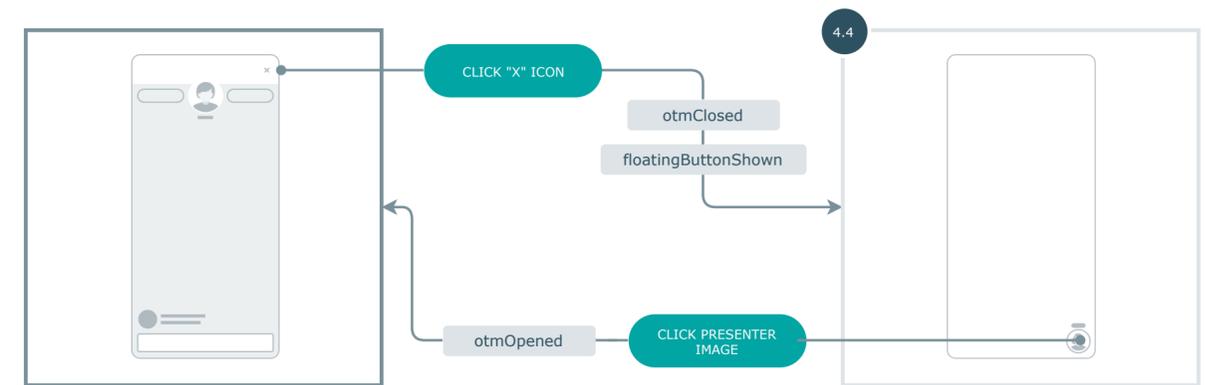

Live broadcast - Main view

Live broadcast - Liked

The session has received a like. This like can't be removed and the button appears highlighted until the end of the session

### 4.4 Close the widget

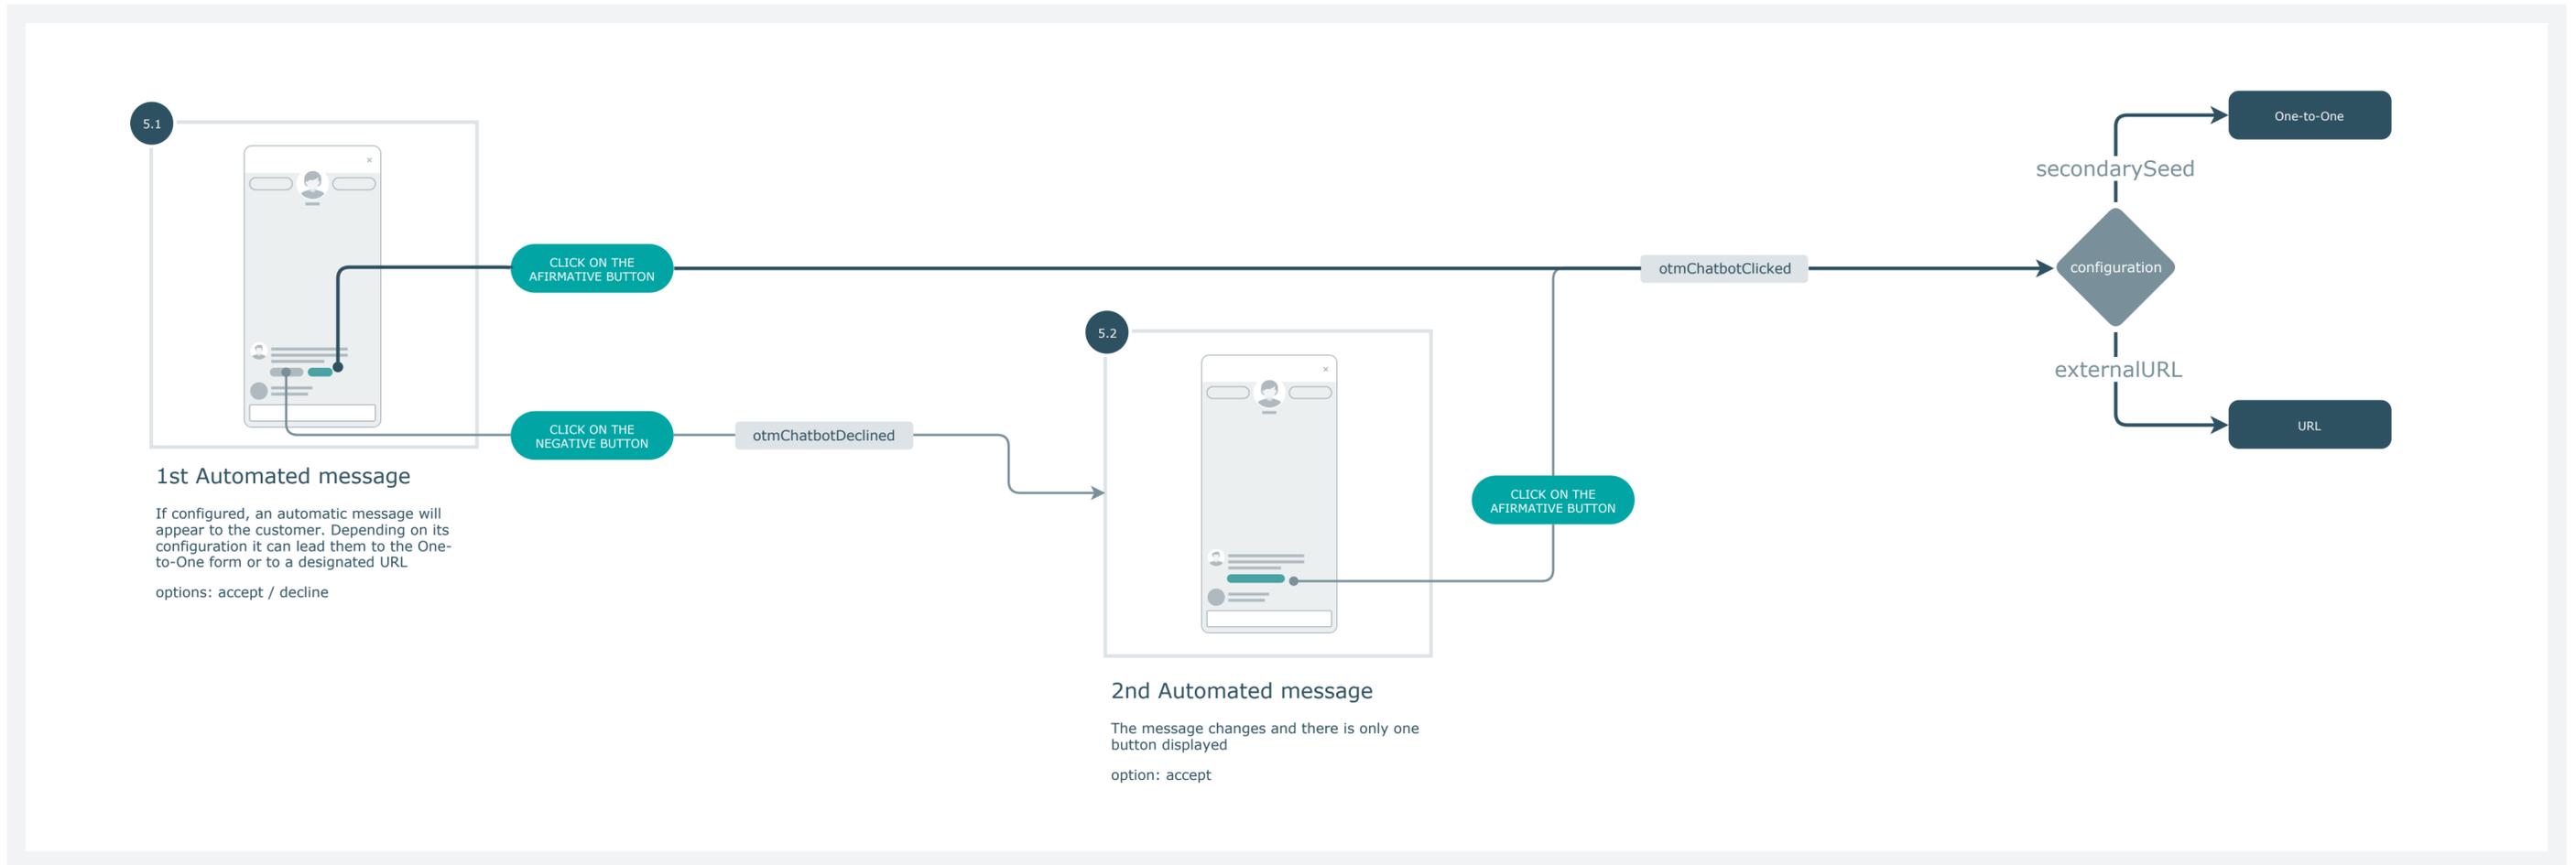

Live broadcast - Main view

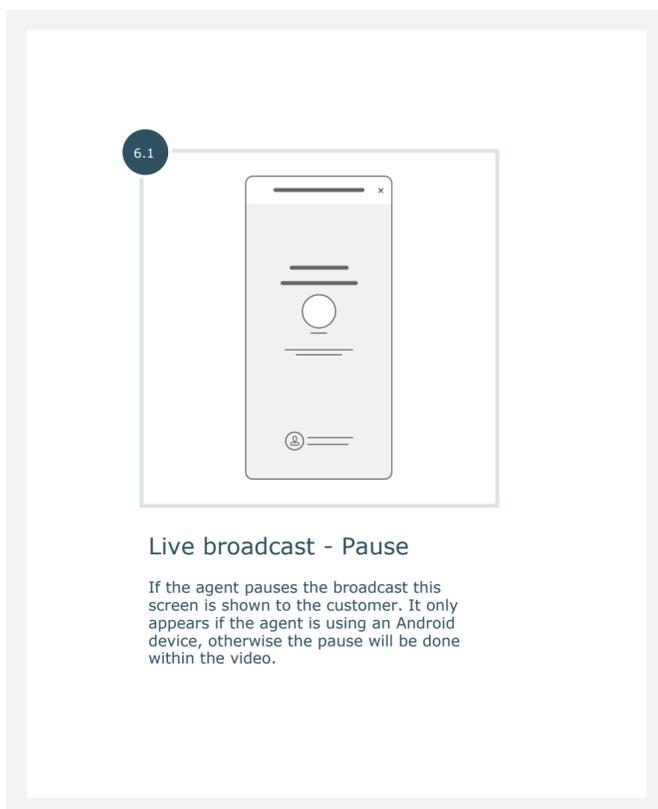

Floating button - Folded

As the customer has actively closed the sidebar, the floating button appears folded, and will not be unfolded again

## 5. Lead capture

## 6. Pause

## 7. End
